

AV600 Powerline Adapter Kit

PL7600 Kit

Features:

- > 1* 10/100Mbps RJ45 LAN port
- > HomePlug provides AV speed up to 600Mbps over electrical wires
- > Ideal for HD video streaming, online gaming, and general Internet surfing
- > Up to 300 meter within the same electrical circuit
- > Establish a 128-bit AES encryption connection simply by pressing the Group button
- > Plug & play ready, no configuration required
- > Effective Power-Saving mode to reduce power consumption by up to 80%

What it does:

The netis AV600 Powerline Adapter PL7600 Kit turn your existing electrical wiring into a high speed network with no need for extra wires or drilling into the wall. The adapters require no configuration. Simply plug your adapters into your power sockets and you can establish networking in a snap.

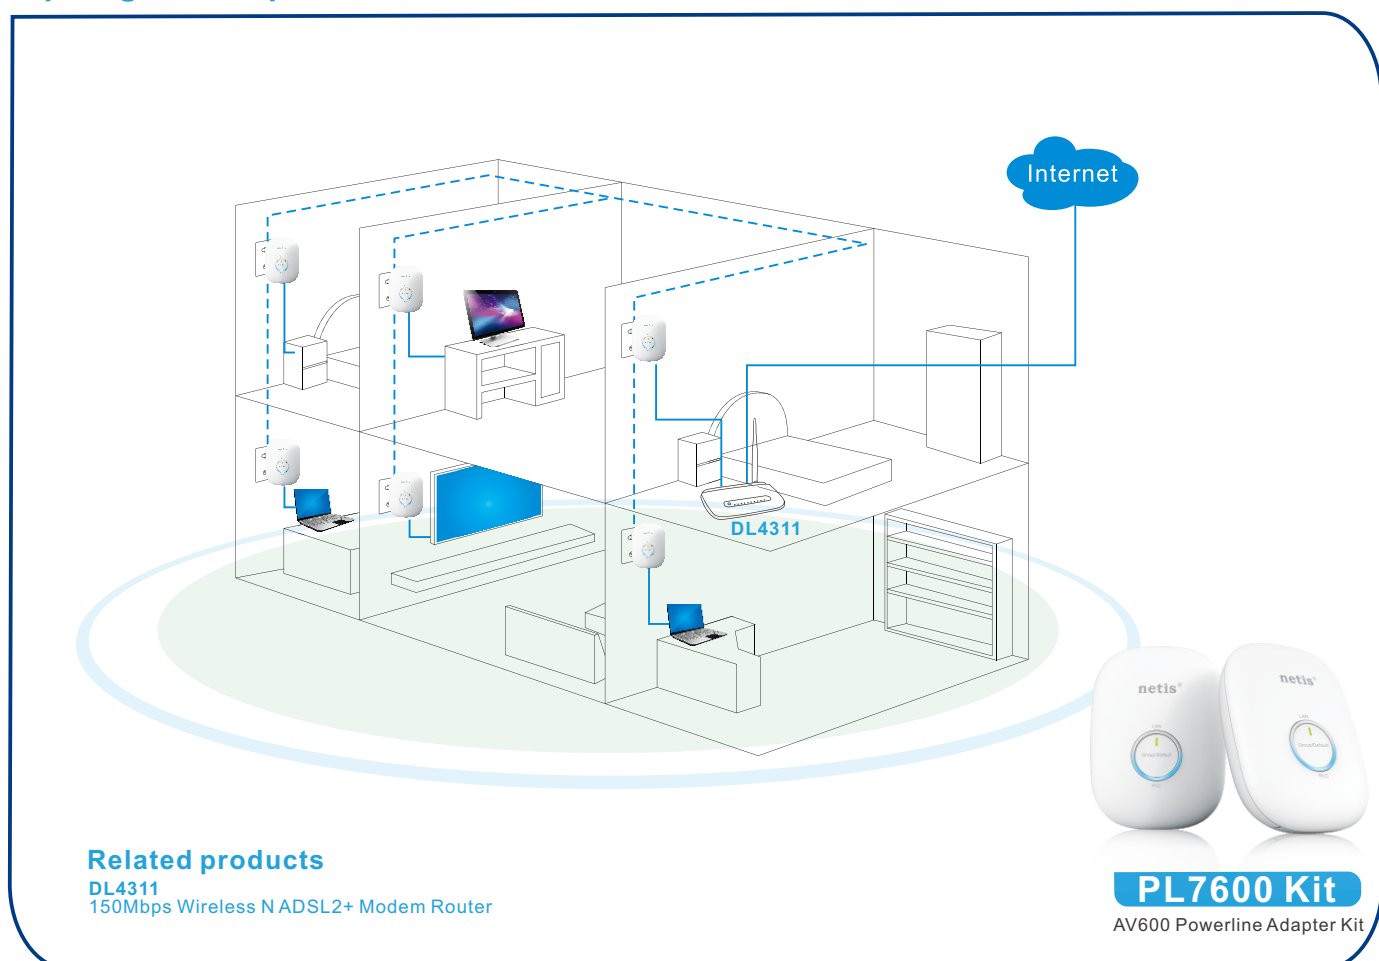

AV600 Powerline Adapter Kit

PL7600 Kit

Specification:

Hardware	
Standards	Home Plug AV, IEEE 802.3, IEEE 802.3u
Data Rate	Up to 600Mbps
Range	300m (within the same electrical circuit)
Interface	1* 10/100Mbps Ethernet port
Plug Type	US, EU, UK available
Button	Group/Default
LED Indication	LAN, PLC
Power Supply	100-240V AC
Software	
Security	128-bit AES Encryption
Operating System	Microsoft Windows (Utility available for Windows only) MAC OS Linux
Others	
Certification	FCC, CE
Environment	Operating Temperature: 0°C~40°C Operating Humidity: 10%~90% non-condensing Storage Temperature: -40°C~70°C Storage Humidity: 5%~90% non-condensing
Package	2*PL7600 2* Ethernet Cable 1*Installation CD 1*Quick Installation Guide
